

# Inclusion of EDLR Courses

## Conditions for Taking EDLR Courses

The Sport Management faculty has set conditions by which individualized majors who wish to include EDLR courses in their plans of study may gain approval.

## Grades

**General rule:** To be accepted as an Individualized Major with a Statement of Purpose and a Plan of Study that includes an EDLR-sport-related focus, you must normally have a total GPA of 2.7 or better at the time of application to the Individualized Major Program. This rule will be relaxed in two cases:

- **Exception 1:** (i) your total GPA is 2.3 or higher at the time of IMJR application AND (ii) your two most recent semester GPAs were each 2.7 or better.
- **Exception 2:** (i) you make an application to become an Individualized Major in your 5th semester or earlier AND (ii) your total GPA is 2.5 or higher on the date of application AND (iii) your semester GPA in the semester preceding enrollment in approved EDLR classes is 2.7 or better.

## Procedure

You must meet with the academic advisor in the IISP office who will review your plan of study and statement of purpose to ensure that it meets the guidelines discussed above.

You must schedule an appointment with the prospective advisor in EDLR at least one week prior to the IMJR application deadline and must provide, in advance, via email:

- Unofficial transcript
- Statement of purpose
- Plan of study
- Date that proposal is required for submission in the Individualized Major Program Office

## Courses

The following may be taken by qualifying IMJRs who receive the permission of EDLR faculty:

- EDLR 3090 Directed Observation and Participation (*summer and intersession only*)
- EDLR 3310 Introduction to Sport Management (*prerequisite for EDLR 3325*)
- EDLR 3325 Sport Facility and Event Management
- EDLR 3335 Sport Law
- EDLR 3340 Introduction to Sport Marketing
- EDLR 3547 Intro to Sport Based Youth Development (*non-W sections only*)
