Course List

In the **Type** column enter "W" for a writing intensive course, "RM" for a research methods course, and/or "H" if the course will count towards your honors requirement (if applicable). In the **Dept. Course#** column, enter the department and course number (e.g. COMM 3100). In the **Title** column, enter the title of the course (e.g. Persuasion). In the **Cr.** column, enter the number of credits for the course. In the **Semester Taken** column, enter the semester and year that you took the course (e.g. Spring 2016). Place a V in the **College** column if the course is in the college that is granting your degree (CLAS or CAHNR) and a V in the **Core** column if the course is core to your major. Core courses are your research methods course(s), your intensive writing course, the capstone, and any other courses designated core at admission.

Writing course

Capstone

This major is in CLAS, so all of the courses in CLAS have a check.

There are only three core courses in this major: the research methods, writing, and capstone courses.

Double Major Worksheet

Instructions

If you are completing a double major, then you must complete the Double Major Worksheet.

- List the courses you have taken in both majors, the traditional on the left and the individualized major on the right.
- Indicate which courses overlap by putting them in bold in both columns.
- Check that you have **24 unique credits** in your individualized major that do not overlap with your traditional major and its related field courses.
